SUBJECT: Settlement Discussion ? Meridian / Cascade Invoice Dispute

Marcus,

Thank you for your willingness to engage in preliminary settlement discussions. This email summarizes the parties' respective positions as of today and proposes next steps.

MERIDIAN'S POSITION

Meridian maintains that the services described in Invoices Nos. 1044 and 1045 were properly rendered in accordance with the MSA as amended, and that Cascade's dispute regarding the SLA is without merit. Meridian is prepared to discuss resolution of the outstanding invoices totaling \$102,100.00.

CASCADE'S POSITION

Cascade maintains that Meridian failed to meet the SLA commitments and that certain deliverables were not completed or delivered. Cascade is not prepared to pay the full \$102,100.00 and believes the outstanding amount should be reduced to reflect the scope-of-work and SLA concerns.

PROPOSED NEXT STEPS

1. Meridian and Cascade each identify the specific SLA metrics in dispute and the specific deliverables at issue.
2. The parties meet (by phone or in person) within the next two weeks to discuss a resolution.
3. The parties explore a resolution that addresses both the invoice dispute and any ongoing SLA concerns.

I look forward to working with you toward a resolution.

Best regards,

Victoria K. Hensley
